

## 2014 Adaptive Management Initiative Projects

The Roundtable on the Crown of the Continent is excited to present the activities of the 2014 Adaptive Management Initiative. This round of projects spans the Crown and delivers exciting on-the-ground adaptation, organizational capacity development, and forums for collaboration.

By following the links below, users may find specific information about each of the individual projects, including: leadership, collaborators, project summaries, outcomes, and funding levels.

The Roundtable would like to extend its sincere thanks to the Kresge Foundation, as well as the motivated and passionate leaders behind these projects, for making 2014 another successful year for the Adaptive Management Initiative.
